News.....*for immediate release*

Free Fete Stalls Offer

An invitation has gone out to local community groups and voluntary organisations to have a fund raising stall or information display at the revived summer fete on one of the City's largest housing estates.

Fete spokesperson, John Steele, said: "The Joint Villages Summer Fete 2010 planned for Sunday, 15th August, 2010 will be the first fete for six years, thanks to funding from the Coalfields Regeneration Trust, and the focus this year is on providing information on the community groups and services available to local people and promoting healthier eating and physical activity."

The carnival, based on the 3 Greens off Dividy Road in the heart of the Bentilee estate, will again follow the successful mix of community stalls, displays, live music, a fun fair, and activities for younger residents.

"The Fete commonly attracts over 2000 visitors and a lot of small (and not so small) groups find the fete a great opportunity to tell people about what they do, raise funds and recruit new members – as well as providing a great day out for all local families."

"The stalls are being offered free of charge (though they may be asked on the day if they would like to make a voluntary donation towards the fete). However, groups will need to bring their own chairs and tables and have their own public liability insurance cover for the day."

Anyone interested in having a stall is invited to ring John on 01782 231314 or email webmaster@jointvillagessummerfete.co.uk
